# How can I get out of my home mortgage loan?

Me and my fiance bought a home, now his family is residing with us temporarily. It has been a year, the loan is in both our names. How can I get out of it? I has been only 3 months since we bought the home.

You can't 'get out of a mortgage'. You agreed to a contract with a lender, and you are expected to honor the contract.

The only solution is sale of the property to terminate the mortgage, or refinance without YOUR name on it. This will take the cooperation of your fiance, of course.
